A Word from the Selectmen

Town meeting is here again and with it the responsibility of each voter to set the tax rate for the coming year. The town budget is already much higher than any in the Town's history. Therefore any additional expense voted for now, will appreciably raise your tax bill when it comes out.

Contrary to the instructions of the voters, last year, to sell the old fire truck, we still have it.. It was not possible to obtain a price that seemed adequate; as you may know, it was used to spray trees last spring and the revenue received was considerably higher than the highest bid received for it. Plans have been made to use it for the same purpose again this spring and quite a number of jobs have already been lined up.

Recently the Selectmen have had their office completely re-decorated. It is quite a welcome change after the dinginess apparent over the past years.

You will find an article in the warrant for the replacement of two bridges on the Center road, which we sincerely hope will meet with your approval. Should these not be installed this year, it will mean the added expense of repaving the approaches when they are put in. The third bridge on that road will be widened to specifications by the Town highway department.

Upon the death recently of Cyrus Barton, esteemed friend of many and long-time resident of this Town, the Boston Post cane was presented to Mrs. Harriet Davidson. It seems highly fitting that the Town's oldest resident should be thus honored.

The Trustees of Trust Funds wish to acknowledge receipt of one hundred dollars from each of the following Albert A. Haynes estate for the care of the Albert A. Haynes lot in the Edminister Cemetery; Ina M. Spaulding for the care of the Mitchell and Spaulding lots in the Child's Cemetery; Vienna and Henry Bassett for the care of the Sanders lot in the Child's Cemetery; and Bertha E. Smith for the care of the Clayton K. Smith lot at the Child's Cemetery.

We have attempted to fulfill our duties to the best of our abilities and as economically as possible.

Finally we want to express our thanks to the heads of departments and committees, and all residents for their cooperation and help during the year.

YOUR SELECTMEN

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

*To the Inhabitants of the Town of Cornish in the County of
(L. S.) Sullivan in said State, qualified to vote in Town
Affairs:*

You are hereby notified to meet at The Town Hall in said Cornish on Tuesday, the 8th day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

(A)—Town Officers Salaries	\$ 2,500.00
(B)—Town Officers Expenses	1,000.00
(C)—Election and Registration Expenses	1,000.00
(D)—Town Hall and other Buildings	1,600.00
(E)—Fire Department	600.00
(F)—Police	75.00
(G)—Blister Rust	400.00
(H)—Insurance	375.00
(I)—Health Department	50.00
(J)—Vital Statistics	20.00
(K)—Town Dump	75.00
(L)—Town Maintenance	19,000.00
(M)—Street Lighting	110.00
(N)—Library	500.00
(O)—Old Age Assistance and Town Poor	1,500.00
(P)—Memorial Day	50.00
(Q)—Care of Parks	25.00
(R)—Cemeteries	600.00
(S)—Civil Defense	25.00
(T)—Damages and Legal Expenses	75.00
(U)—Deficiency in Mercer Fund Interest and other Interest	550.00
(V)—County Tax	7,500.00

3. To see if the Town will vote to raise and appropriate the sum of \$1,395.00 for the second payment on the fire truck.

4. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to be added to the capital reserve fund for purchasing new highway equipment.

5. To see if the Town will vote to instruct the selectmen to sell or otherwise administer on property acquired through tax sales and liens.

6. To see if the Town will vote to instruct the selectmen to borrow money if necessary in anticipation of taxes.

7. (By request) To see if the Town will vote to favor a state sales tax, with food exempted, in order to relieve the burden on the property tax payer, and to aid education.

8. To see if the Town will vote to raise and appropriate the sum of \$50.00 for the Town Planning Board.

9. To see if the Town will vote to accept the proposed building construction and zoning ordinance of the Town Planning Board.

10. To see if the Town will vote to raise and appropriate the sum of one-hundredth of one per cent, or more, of the assessed valuation for the Dartmouth-Lake Sunapee Region Association for the purpose of promoting and publicizing the natural advantages of the town together with other towns in the region.

11. To see if the Town will vote to raise and appropriate the sum of \$774.19, the state to contribute the sum of \$5,161.29, for town road aid.

12. (By request) To see if the Town will vote to discontinue the road from Harry Nelson's house leading east to the Nelson- Fitch line.

13. To see if the Town will vote to rescind the vote of 1954 on Article 14.

14. To see if the Town will vote to have the selectmen give out inventory blanks at the time of assessing.

15. To see what action the Town will take in regard to trading the present loader and international tractor snow plow for a new four wheel drive 1 cu. yd. loader on rubber and raise and appropriate the necessary amount.

16. To see if the Town will vote to pay the Tax Collector at the rate of $\frac{1}{2}\%$ of property and poll taxes collected.

17. To see what action the Town will take in regard to laying a water pipe from school to town hall and raise and appropriate the necessary amount.

18. To see what action the Town will take in regard to all town organizations paying the janitor's fee for use of Town Hall.

19. To see if the Town will vote to build two new bridges, and repair one bridge, on the Center road, and raise and appropriate \$3,000.00 for same.

20. To see if the Town will vote to raise and appropriate \$750.00 for The Employee's Retirement System.

21. To hear reports of Officers, Agents, Auditors, and Committees heretofore chosen and pass any vote in relation thereto.

22. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 21st day of February, in the year of our Lord nineteen hundred and fifty-five.

Culverts, 219 Lin. Ft.		457.84
Asphalt, 3738 gallons		590.52
Misc.—Cement, posts, etc.		114.86
		<hr/>
		6354.64

Supervision from the Division office is not a charge against the account.

Very truly yours,

Farwell A. Brown
Division Engineer

CORNISH CIVIL DEFENSE ORGANIZATION REPORT

A special Meeting was called by order of our Selectmen on Monday, April 19, 1954 at the Town Hall.

The main reason for the meeting was the purpose of electing a Director and to decide to "what extent" the Cornish CDO would take part in the proposed Test Alert planned by the State Civil Defense Organization in Concord for the morning of Friday, May 14th.

Miss Harriet Dumaine was unanimously chosen as Director by those present at the meeting.

Miss Dumaine held the first Civil Defense Meeting under her directorship on May 19, 1954. The great Hydrogen Bomb Explosion picture, just released by the U.S. Army was shown by Colonel Hamilton to an audience of 250 Cornish Citizens.

By September 27, the Director had reorganized the Cornish Civil Defense Organization and at this meeting the completed plans were presented to the Town.

The Cornish CDO has been meeting regularly every month since that date, with specific programs presented by the specialized categories which comprise the civil Defense setup, namely: Welfare, Ground Observation, Medical, Warning and Communications, Police, Transportation, Child Care and Fire.

On October 25, 1954 a highly successful Mass Feeding Test was demonstrated, which was attended by Messrs Thibault and Moses of Concord, N. H. CDO.

This demonstration prompted Mr. E. George Moses to write the following letter to Mr. Neil Fallon, Welfare Officer, Federal Civil Defense Administration, Newton Center, Mass.

"Last evening I had the pleasure of attending New Hampshire's first local mass feeding demonstration which was put on by the members of the Civil Defense Organization of the Town of Cornish, N. H. It was a great success in all aspects, and I learned additional methods and techniques over and above those taught at Fort Dix. For instance, one of the fireplaces was arranged with a brick base on top of which resided an old fashioned register such as those used in hot air systems. The drafts and heat were regulated by the shutter arrangement in the register. Two other fires were arranged with brick bases and old tire rims utilized for the base on which to set the 5 gallon milk cans for heating water etc. The menu consisted of tomato

juice, fish chowder, baked beans, coffee and rolls, and the food was extremely palatable. After eating our fill we retired to the Town Hall where on display was arranged an emergency food supply following the pattern outlined in our publication "An Emergency Food Supply for the Family."

Both Mr. Thibault and myself were greatly impressed and encouraged, and we hold no fear that any refugees sent to Cornish, N. H. will go hungry. Our hats are off to Miss Dumaine the Local Civil Defense Director for Cornish, and members of her organization."

Cornish Civil Defense received official recognition, the coveted Certificate of Merit from Admiral Brinkman, Head of the N. H. Civil Defense Organization. This award is on permanent display in the Town Hall.

In addition to important speakers from Concord, highly important instructive and informative motion pictures have been shown.

Not only the dangers of a third World War, but also those which come from the ravages of Hurricanes and Fires make a well functioning Civil Defense Organization an important asset of the Town.

It is our hope that every citizen of Cornish will join the ever growing rank of the Civil Defense Organization.

Harriett Dumaine,
Civil Defense Director, Cornish, N. H.
Mrs. James Campbell Lewis,
Secretary

TOWN PLANNING BOARD

During the past year the Planning Board has met once a month to continue the plans set forth in last years town report. We have drafted and revised and re-drafted the proposal we now bring before the voters of the town to consider. In our opinion it is as lenient as is possible and yet seems to be a good basis for the regulation of proper and wise building in town.

We have purposely proposed no great amount of zoning at this time as it seemed that it might defeat our aim to raise the tone of construction all over the town. As we discussed these matters over the months we decided to raise, from the previous mentioned one hundred dollars to two hundred dollars, the minimum cost of structural alteration or building that would require approval and a permit from the Board of Adjustment.

The funds which were voted for our use at last year's town meeting have proved more than ample for our needs. Our largest expense has been to have our plans printed in quantity for the convenience of the residents of the town. We will have around twenty dollars left after the completion of this years work and as we anticipate no great need for further funds in the coming year we are reducing our request by half and hope that it will not seem too great. Some is needed from time to time for postage and telephone calls.

In May two members of our Board went to the 5th Annual Planning Conference sponsored by the N. H. State Planning and Development Commission and the N. H. Planning and Zoning Association.. It was held at Wentworth-by-the Sea, and proved to be a most valuable experience to those attending.

In November Mr. Sulo Tani, Planning Director, and Miss Mary Louise Hancock, Planning associate, of the State Planning and Development Commission met with us to aid and advise us in our work. We have also consulted our own Town health officer and our fire chief in regard to the articles related to their areas of knowledge and responsibility.

The map we proposed to develop of the Town is nearly completed. We hope it will prove to be a valuable asset to the Town Officers as well as the members of our own board.

Our only aim and wish is that the Town may benefit by the measures outlined here and in our proposal

TOM NICHOLS, Chairman
CLARA WELD, Secretary
MRS. ESTHER PULSIPHER
MRS. MYRTLE PERKINS

HARRISON STEEVES
CLIFFORD PETERSON
MICHAEL YATSEVITCH

REPORT OF FIRE CHIEF AND WARDEN

The Cornish Fire Department was called out for 5 chimney fires, 3 building fires, (one of which was in Plainfield), 3 grass fires, 1 burning without a permit.

The old fire truck was used to draw water for the School District, in construction of the new school. It was also used to spray trees. The Fire Dept. made \$430.02 profit from spraying, \$415.09 has been turned over to town treasurer. The balance of \$14.93 has been collected and paid to the treasurer since Jan. 1st.

In case of fire, call E. H. Atwood, Tel. Claremont 775W2, Paul LaClair, Tel. Claremont 912W2, or Merrill Tatro, Tel. Claremont 673W2.

REPORT OF LIBRARY TRUSTEES

The trustees of the George H. Stowell Library greet you and offer the accounting of their stewardship.

During the past year the sanding of the floors has been completed. This job proved to be not only more expensive than anticipated but more laborious as well. The many years accumulation of dirt and varnish already on the floors made preparing them very difficult but the results have more than justified the cost. The floors are really beautiful now and improve the interior immensely.

Another high spot in the course of the year was the establishment, by Ralph and Viola Brown, of the "Alma Brown Memorial" collection. More than one-hundred books were accepted by the trustees for this collection, this year. These are juvenile books, mostly historical fiction, some reference and text books and should prove a very valuable aid to our teachers.

It is a matter of some concern to the trustees that more of the residents of Cornish do not take advantage of the resources offered by the library. Let us take this opportunity to invite everyone to visit the library during the coming year.

Our thanks go out to the following friends for gifts of books during the past year. Ralph and Viola Brown, Michael Yatsevitch, Dorothy Eastman, Mrs. William Bugbee, Mrs. Rupert Rawson, Mrs. Robert Barrett, Mrs. William Crane, Mr. Ford Kinsman, David Wood, Patricia Rawson.

REPORT OF THE CORNISH HISTORY COMMITTEE

The Cornish History Committee is happy to submit its first annual report to the voters of the Town.

The Committee is composed of Kenneth T. Hunt, appointed by the Selectmen; Harry D. Witherill, appointed by the Moderator and Mrs. Barbara Rawson, appointed by the two above named members.

After a number of conferences, we finally decided on a plan to follow to accomplish the work laid out for us. As this task is not one to be completed in a short time, we tried to lay out one that anybody could follow without having to go all over the ground work already done in case our successors should for any reason have to complete the assignment. To accomplish this we are using a simple card file system, and have up to this date finished taking all the names that appear on the Town Tax Books, beginning with the year 1910 through 1954. Each name appears on a card and also the years that this person lived in town. This we call our Master File. This file we think will be of great assistance to posterity as well as to ourselves; in obtaining information concerning former residents of the town and we hope it will be continued decade after decade as the years go by for the benefit of residents and for historical uses.

Names from this file are placed in other files as to their historical value. This evaluation, of course, poses quite a problem and its solution is met only by consulting with those outside the committee.

We have obtained the data compiled by others previously appointed for this task and it is a very fine contribution and no doubt much of it will be included in the final copy. We now are attempting to bring events of a similar category up to date.

In the Selectmen's financial report you will find we have spent only a small part of the amount voted for this use—the balance we think will be sufficient to cover material for another year's work.

We have reached a point in our work where we shall have to receive considerable information from many different families especially where there is nothing in the present History to help us. We hope that if we ask any of you some questions

regarding this work you will realize that we are only seeking information to complete our records.

The ground work is completed and now comes the task of gathering facts and statistics and grouping them together so that we shall have an interesting and valuable addition to our History for future reference.

In closing we would like to remind the voters that these files we are completing will be turned over to the Town Officials when we are through with them to make a valuable record for genealogical or biographical reference.

In the name of the Town this committee wishes to express its appreciation for the cooperation we have received and hope your interest in this work will continue.

School Warrant

State of New Hampshire

To the inhabitants of the School District in the Town of Cornish qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the fifth day of March, 1955, at one-thirty o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of district officials and agents, and for the payment of statutory obligations of the district and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund, together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see if the district will authorize the school board to appropriate receipts from federal lunch reimbursements, tuition, gifts, and any other receipts from miscellaneous sources, in addition to the original appropriation for 1955-56, for the lunch program, general expenses, equipment and improvements.

10. To see if the District will authorize the school Board to make application for and to receive, in the name of the District, such advances, grants-in-aid or other funds for educational purposes as may now or hereinafter be forthcoming from the U. S. Government and/or state agencies.
11. To see if the district will vote to raise and appropriate a sum of money as a contingency fund to provide for unanticipated expenses for the school year 1955-56.
12. To transact any other business that may legally come before this meeting.

GIVEN UNDER OUR HANDS AT SAID Cornish this 16th day of February, 1955.

ANNA T. HUNT

SUPERINTENDENT'S REPORT

To the School Board and Citizens of Cornish, I herewith submit my third annual report as Superintendent of Schools.

We have now lived in our new school for six months and find it has met with our expectations as to warmth, light and convenience. It has been most gratifying to observe over one hundred sixty boys and girls participating in a hot lunch program. Mrs. Dwight Wood, with her assistants, has done an excellent job of planning and preparation. Financially, Mr. Lennon reports that we are operating in the "black". Surplus foods from the government, along with reimbursements, has made it possible to offer the program at a low cost to parents.

We have had some "adjustment pains" and there is still need for change in operation and possibly personnel but, on the whole, your superintendent feels that both teachers and pupils have met the challenge very nicely.

Transportation routes have become stabilized and, although the enrollment has increased during the year, we have been able to provide for it with the present buses. There is need for larger and better buses another year to insure against over-loading and to provide safety in transportation.

Mr. and Mrs. Dwight Wood have served as janitors in a most cooperative and efficient manner. They have many times been available beyond the immediate school program.

It is most gratifying to see the school being used by community groups and we are indeed grateful for the support and assistance, in the form of equipment and supplies, provided and planned for by these groups. I feel that it has done much to unite the citizens of Cornish for the good of the community.

There is need to complete the landscaping and to make minor adjustments to the building itself to more adequately serve the educational program. There is need to develop the playground area and to provide additional equipment.

I recommend development of a physical education program and expansion of the musical offerings. I do not, however, mean to infer that we should decrease the time and emphasis given to the fundamentals.

The school nurse, Miss Florence MacIver, and I have found our work greatly facilitated by the necessity of traveling to

only one school in Cornish. We also find that a principal in charge of the entire staff, pupils and building has been advantageous.

Mr. Laurence Lennon has done exceptionally well in assuming many responsibilities in addition to his full time teaching position.

Enrollment figures for 1955-56 indicate that we will probably be able to divide the group so that there is one grade per teacher. The most questionable group appears to be the first grade in which there will probably be at least thirty-five.

The budget reflects increases in operation due to increased enrollment. This raised Cornish's share of the union expenses by one per cent. Other increases appear in books, scholars' supplies, salaries, transportation and additional equipment. The greatest increase is in tuition charges for high school pupils attending the Windsor and Claremont schools.

I wish to express my sincere appreciation to a most co-operative school board and to the teachers for their attention to duty and sincere effort to adjust to new surroundings.

You as citizens and parents will be interested to know that Unity moved into a new school in February and that Goshen and Lempster expect to build a new school before September. If this occurs, there will be no more one-room schools in Union No. 5.

Additional state aid in the form of general aid, building, transportation and flat grant would do much to relieve the real estate burden in Cornish. Mr. Burnham Carter is working hard on a statewide committee to insure increased state aid, and a national committee for federal aid.

Respectfully submitted,

RALPH H. MEACHAM, Superintendent

SCHOOL NURSES REPORT

In 1833 a law was passed in France requiring school committees of towns and cities to keep school houses clean. From this very simple but necessary beginning, stem our present day school health services.

What are school health services?

School health services are procedures established: (a) to appraise the health status of pupils; (b) to advise pupils, parents and others of the appraisal findings; (c) to encourage correction of remediable defects; (d) to assist in the identification and education of handicapped children; (e) to help prevent and control disease; (f) to provide necessary emergency service for injury or sudden illness.

Our modern school deals with the physical, mental, emotional and social development of each pupil. Gone is the day when the school was primarily concerned with the facts a child memorized. The desire now is health, happiness and foundation for a useful life.

Certain health services help parents and school personnel to become acquainted with the health problems of children, and provide a means of helping children obtain solutions for their problems. For example, vision and hearing tests assist in determining the degree to which a child may benefit from his school experiences. As child health is improved, other aspects of school endeavor are more successful. To learn effectively, children need good health.

Unquestionably one of the most important factors in carrying out our health program effectively is the very fine cooperation and understanding which you, as parents and interested individuals, have given it.

It is a great pleasure to work with you, and a very rewarding experience to work with your children. Thank you for your cooperation.

Respectfully submitted

FLORENCE MacIVER, R.N.

 AVIS B. MacMILLAN, Town Clerk

Dangers from Fires in Woodlands

WOODLAND LITTER, WHEN DRY, IS HIGHLY INFLAMMABLE AND FIRES CAN QUICKLY GET OUT OF CONTROL. WE REQUEST YOUR COOPERATION TO CONTROL ALL FIRES SO THAT LIVES AND PROPERTY MAY NOT BE ENDANGERED OR DESTROYED, AND FORESTS BE KEPT GREEN TO FURNISH THE NATURAL BEAUTY WE ALL ENJOY AND TO GROW TIMBER WE WILL NEED.

WHAT IS "WOODLAND"?

The term "woodland" is defined by law to include "cut-over land, slash and such other land as bears a sufficient amount of wood growth, wood, weeds, grass or other growth as to be likely to be burned over."

IT IS UNLAWFUL TO

Throw down lighted matches, cigarettes, or other burning substances from vehicles or otherwise.

Burn brush, rubbish, grass or other materials when the ground is not covered with snow, without written permission from the Forest Fire Warden.

Kindle a camp or cooking fire on your own land without permission of the Forest Fire Warden or on land of another without also first obtaining written permission of the owner or his authorized agent.

Leave an open fire burning unattended.

Fail to report a forest or brush fire that is out of control.

Start any outdoor fires or to smoke in woodlands when a ban or woodlands closure is in effect.

VIOLATORS ARE SUBJECT TO THESE PENALTIES

Anyone letting a fire escape from control, whether or not he has a permit to kindle the fire, is liable for the costs of extinguishing the fire.

Anyone found guilty of dropping inflammable material in or near woodland shall be fined not more than \$25.

A person failing to report an uncontrolled brush or forest fire is liable to a fine of not more than \$10.

For kindling a fire in woodland of another without permission of the owner, or for kindling any fire without a permit when a permit is required, a person may be fined not more than \$200, or imprisoned 60 days.

DAMAGES

Every person who shall set fire on any land, that shall run upon the land of another, shall pay to the owner all damages done by such fire.

BE SURE — GET A PERMIT

Incinerators must be tight, with a close mesh screen, and be on clean ground away from inflammable material. A steel barrel with screen top is most commonly used.

Open fireplaces used to burn rubbish are classed as incinerators.

Always clean a space about any open fire to prevent its spread.

Never burn in dry, windy weather.

Have incinerators inspected by the Forest Fire Warden and get his written permit.

IN CASE OF FIRE CALL: E. H. Atwood, Warden, or Deputies
